Guidance on Part 8 of the Enterprise Act

It has been brought to our attention that the following sentences require clarification in the above publication.

- Annexe A A.102 The first sentence should say 'The following conditions (or terms in Scotland) are implied into such contracts:'
- A.115 The paragraph should say 'Parts I and II apply to England, Wales and Northern Ireland. Part IA applies in relation to Scotland and Part IB and Part III apply to the whole of the UK.'
- Annexe B B.50 The second sentence should say 'The specified provisions imply the following conditions (or terms in Scotland) into such contracts.'
